1. Journal: Film Review (Write about 200 words) (Due Date: 20 March)

You are Pat, a student member of the Film Society. You have been asked by Jackie, the head of the Film Society, to write an email about the films you would like to show during the annual Movie Week. Read Jackie's email, and write your email to Jackie.

You may use some of the ideas from the email and/or your own ideas in your writing. Write the email in about 200 words.

Dear Film Society members,

We need to decide the films that we will be showing during Movie Week. I would like to know which film(s) you would like to see and why. Tell me about the film(s), the characters, the actors and anything else that can help me decide which films to choose.

Also tell me what makes the film(s) you have chosen so special. Send me an email in which you review at least one film. If you have time, you can of course tell me about more films that you think our students would like to see and why.
